

Pacific WASH Coalition
WASH related Project or Programme Inventory

Agency	Project or Programme title, brief description and funding source	Country(s) and specific location(s)	Lead country counterparts and implementation partners	Time-frame
SOPAC Division, SPC	1. Programme: Drinking Water Safety Planning. Build capacity for the development and implementation of drinking water safety plans in Pacific island countries Funding source: SOPAC core budget	Niue – whole of Niue Vanuatu – Luganville water supply and Mele village Fiji – Wailoku water supply, Waila water supply, Nagado water supply and Matovo water supply Tonga – Nukualofa water supply and 10 villages on Tongatapu Palau – Koror-Airai water supply Marshall Islands – MWSC water supply, outer islands Samoa – Fuluasao water supply Cook Islands – Rarotonga water supply	Niue – Water supply division and dept of Health Vanuatu – DGMWR, MoH, PWD Fiji – WAF Tonga – TWB and MoH Palau – BPW and EQPB RMI – EPA and MWSC (urban). EPA and CMI (rural) Samoa – SWA, MNRE, MoH Cook Islands – DWW Partner - WHO	Ongoing
	2. Programme: Water Quality Monitoring. Build capacity for water quality monitoring and testing in Pacific island countries Funding source: SOPAC core budget	Niue – Dept of Health lab Cook Islands – DWW lab Vanuatu – DGMWR lab RMI – Majuro EPA lab Solomon Islands – SIWA lab	Niue – Dept of Health Cook Islands – DWW, MoH, NES Vanuatu – DGMWR, MoH RMI – EPA Solomon Islands - SIWA Partner – WHO	Ongoing
	3. Programme: Water Demand Management. Build capacity of water utilities in water demand management procedures Funding source: SOPAC core budget	Regional on demand	Water utilities	Ongoing

Agency	Project or Programme title, brief description and funding source	Country(s) and specific location(s)	Lead country counterparts and implementation partners	Time-frame
	<p>4. Project: Evaluation of Give Clean Water Filters. Give Clean Water is a US-based NGO that is distributing water filters in countries including Fiji. The Fiji MoH have requested SOPAC and WHO to conduct an evaluation on the use and sustainability of the filters</p> <p>Funding source: SOPAC core budget</p>	<p>Villages and schools in Ba, Nadi and Sigatoka</p>	<p>MoH Partner – WHO and Peace Corp</p>	<p>Mar-July 2011</p>
	<p>5. Project: Benchmarking of Pacific water and wastewater utilities. This is being coordinated by PWWA and supported technically by SOPAC</p> <p>Funding source: PIAC</p>	<p>Pacific water utilities</p>	<p>Pacific water utilities Partner: PWWA</p>	<p>Feb-Aug 2011</p>
	<p>6. Project: Effective handwashing campaign. Project is working in primary and high schools on the island of Taveuni, Fiji to develop strategy for design of effective handwashing campaigns.</p> <p>Funding source: WSSCC</p>	<p>Taveuni, Fiji</p>	<p>Ministry of Education. Partner: Fiji Red Cross</p>	<p>July-August 2011</p>
	<p>7. Programme: WASH. Assists SPC member countries with resources, awareness campaigns and guidance on gender, community participation, rainwater harvesting and celebrations such as the World Water Day and Global Handwashing Day.</p> <p>Funding source: SOPAC core budget</p>	<p>Regional</p>	<p>Water resources, water utilities, health (few)</p>	<p>Ongoing</p>

Agency	Project or Programme title, brief description and funding source	Country(s) and specific location(s)	Lead country counterparts and implementation partners	Time-frame
	<p>8. Project: GEF Pacific IWRM Project, <i>“Implementing Sustainable Water Resources and Wastewater Management in Pacific Island Countries”</i>.</p> <p>The GEF Funded Pacific IWRM Project funded from 2009 – 2013 is being implemented in 13 Pacific Island Countries focusing on demonstrating practical catchment based IWRM approaches through country demonstration projects on watershed management, wastewater management and sanitation, water resources assessment and protection, water use efficiency and water safety.</p>	<p>Regional : 13 Pacific Island Countries –Cook Islands, Fiji, FSM, Nauru, Niue, Palau, PNG, RMI, Solomon Islands, Samoa, Tonga, Tuvalu and Vanuatu</p>	<p>Each country has a nominated point of contact and a lead Agency. Differs from country to country but usually it is either the Water Utilities or Department of Environment/Agriculture where these roles fall to.</p>	<p>2009-2013</p>
	<p>9. Project: Pacific Integrated Water Resource Management (IWRM) Planning Programme.</p> <p>The Pacific Integrated Water Resources Management Planning Programme, funded for four and a half years (2008 – 2012) by the European Union, is supporting 14 Pacific Island Countries (PIC’s) to improve their water governance through using the IWRM Planning approach as a tool to provide direction and action to develop IWRM frameworks such as policies, plans, strategies and legislation, foster multi-stakeholder participation and empowerment, create understanding and management of information needs and strengthen water and sanitation apex bodies as a mechanism for national level coordination.</p>	<p>Regional : 14 Pacific Island Countries –Cook Islands, Fiji, FSM, Kiribati, Nauru, Niue, Palau, PNG, RMI, Solomon Islands, Samoa, Tonga, Tuvalu and Vanuatu</p>	<p>Each country has a nominated point of contact and a lead Agency. Differs from country to country but usually it is either the Water Utilities or Department of Environment where these roles fall to.</p>	<p>2008- June 2012</p>
